

# Service Unit Manager Guide

Welcome and thank you!

On behalf of Girl Scouts of NE Kansas & NW Missouri, we would like to say thank you again for taking on your position. As a volunteer leader for your service unit, you have been appointed to your position because you have the leadership qualities we seek and a particular interest and commitment to the Girl Scout mission.

You are an invaluable extension of Girl Scouts, and we thank you for generously giving your time to help make the world a better place for girls. Your commitment to serving girls and adult volunteers as a service unit team member enables troops to succeed and girls to experience a lifetime of leadership. Without you, none of this would be possible. Ultimately, we hope this experience will be as rewarding for you as it is for the volunteers and girls we serve.

We understand and appreciate that this role you have taken on can be both rewarding and overwhelming, empowering and tiring, inspiring and challenging. We are so thankful for your commitment to Girl Scouts and hope that this space will provide the resources you need to continue to be successful. With the combined efforts of your council support staff, fellow service unit team members, and other volunteers with whom you work, you will make Girl Scouting a positive, enriching experience.

Thank you again for all that you do.

With Gratitude,  
*Mission Delivery Team*
