

# G.S.A.C. - Girl Scout Astronomy Club of GSKSMO Info

## Girl Scout Astronomy Club Membership

- Must be a Cadette, Senior, Ambassador Girl Scout
- Attend GSAC Special Events, campouts, and 3 club meetings
- Interested in learning about space science and STEAM
- Help plan, design, and/or implement at least 1-star party for younger Girl Scouts.
- Leadership Training. Cadette Girls will be able to earn their Program Aid as well as earn hours to go toward Program Aid bar.

**Leadership opportunities are available, interviews will be scheduled upon inquiry to [campdept@gsksmo.org](mailto:campdept@gsksmo.org)**

## Our Club Goals

- A community for girls to make new friends with girls who are interested in space science and STEAM.
- An environment that promotes the 3 keys to Girl Scout leadership.
  - girl-led
  - learning by doing
  - cooperative learning
- Provide opportunities for younger Girl Scouts to learn, lead, and grow in STEAM.
- Learn about the wonders of science in indoor and outdoor settings.
- Council-wide opportunity, open to all Girl Scouts.
- Hold special events: overnights, planetarium shows, and field trips.

## Membership Due - What comes with this membership?

- Club T-Shirt
- Club Patch - will receive upon completion of three meetings.
