POWERED BY GIRL SCOUTS

1 Cookie Construction I.

Learn about the amazing GSKSMO Cookie Construction program presented in partnership with AIA Kansas City! See beautiful examples of Cookie Construction builds created by Girl Scout Cadettes this year and learn how you can participate next year. Architects and designers will be on hand to teach Girl Scouts the art of origami, one of the many skills utilized in Cookie Construction!

2 Travel R.

Start your Global Girl Scout adventure! Take a quick picture for your Girl Scout Passport then tell us where you want to #travellikeaGirlScout through an interactive survey and show us where you've been on our giant map!

3 Google Fiber R.

Build and play digitally connected instruments made from everyday objects, go on a virtual reality expedition tour and create a collaborative stop motion video with our Mini Create Your World Workshop!

4 ScrapsKC L.

Create a unique miniature work of art with recycled art materials from our creative reuse center! Then learn how we inspire ingenuity that positively impacts the environment, enhances creativity in art and education, and provides hope for the homeless in downtown Kansas City!

5 Outdoor Experiences & L.L.Bean R.

Experience a mini-indoor archery range, build a table top fire and play Bean Boot Toss with our friends at L.L.Bean! Both girls and leaders will learn about all the great outdoor experience offered through GSKSMO and L.L.Bean! Leaders stop by to enter your troop into a drawing for 25% off your next adventure program!

6 Kansas City Zoo L.

Get hands-on with large bio-facts, play a matching game, win prizes with the Wheel of Wonder and receive a Kansas City Zoo fun patch! Plus, help decorate and prepare animal enrichment items for several animal exhibits—including the elephants!

7 GSKSMO STEM Program I.

Our STEM programs have a lot to offer girls that want to solve problems that will make the world a better place. Stop by to learn more about our council programs and get a chance to problem solve with some thought provoking activities!

8 LEGOLAND® Discovery Center Kansas City and SEA LIFE Kansas City I.

Meet the newest member of our team, made entirely of LEGO® bricks. LEGO® R2-D2 spins, beeps, drives, and blinks! Join our Master Model Builder on an absoLEGOLutely awesome journey exploring basic robotics and the motors, wires, controllers and more that make up R2-D2!

Get a closer look at SEA LIFE Kansas City's life-like replicas of sea creature bones along with real shells, exoskeletons, and teeth—all representing the amazing animal adaptations you'll find among ocean animals large and small!

9 Treehouse Art Studio L.

Kindness ROCKS! Take part in our Kindness ROCKS project by decorating a rock with a kind message, inspiring word, or sweet picture. Artists may take their rocks with them to spread kindness or leave them with us to donate to Meals on Wheels Johnson County.

10 Natural Grocers G.

Stop by to enjoy a healthy snack and play a fun game of hopscotch while you're at it! You'll also get to spin the wheel to win a prize. We'll provide you with nutrition tidbits, prizes, snacks, and games!

11 KU – EEP Grad Student Outreach G.

Explore the diversity of life with biology graduate students from the University of Kansas. Explore a variety of animals from the ocean, see what flowers look like on the inside and ask us anything about DNA, the genetic material that makes us, us!

12 Kansas City Chiefs G.

The Chiefs Play60 Outreach Team has several fun events for local Girl Scouts! Visit and learn more about fun patch opportunities and how to stay healthy and fit, just like your favorite Chiefs players! Special Guests include KC Wolf & Chiefs Cheerleaders!

13 Worlds of Fun R.

Learn more about Girl Scout Day in the park on May 12. Put together your own Snoopy picture frame and get your picture with Girl Scout Sally from the Peanuts Gang!

14 Kansas Children's Discovery Center I.

We challenge you to a tallest tower competition! Join KCDC to build a tower or program robots. Create code, explore the robot's xylophone and discover how to launch ping pong balls using robots!
