

STEM Kit:
Dry Erase Boards
Program Level: All

Supplies Provided:

- Personal dry erase boards (12)
- Erasers (12)
- Black dry erase markers (12+)

What to Bring:

- NONE
- If you want other colors of markers, please bring what you need.

Why?

This kit contains mini white boards, dry erase markers and erasers. You can use this if your group is keeping track of data, recording responses, or making a best guess before trying out a new plan. If you're taking them outside, they aren't going to blow away like a sheet of paper, and hopefully lots of Girl Scouts will be able to use them throughout the year!

Save a couple of trees by using these instead of paper if you don't need to keep the notes/drawings/etc. around forever! (or take a photo of your work on the whiteboard if you want to save it!)

This STEM Kit was provided by a generous gift from
