

Junior Flowers Badge

Pillar: Outdoors

Outcomes: Displays positive values

Juniors will earn their badge by:

1. Uncover the science of one flower
 - a. Go on a flower hunt. Pick a virtual tour and find a few flowers to observe!

2. Look under the petals
 - a. Stop and smell the flowers. Find a flower growing outside that smells and watch it until you see something happen. Make sketches or jot notes in your notebook. How long did it take for something to visit? Why do you think the flower smells?
3. Find out how flowers help people
 - a. Flowers are fruits in disguise! Research a flower that turns into a fruit and make a snack for your family using that fruit.
4. Have fun with flowers
 - a. Dried-flower art. Make a pressed-flower bookmark by flattening a flower.

5. Send a message in flower code
 - a. Bouquet. A bouquet is a bunch of flowers.
