

## Junior Musician

**Pillar:** Life Skills

**Outcomes:** Positive Values and Community Problem Solving

### Juniors will earn their badge by:

1. Travel around the world of music
  - a. Pick at least one country (or culture) on each continent, and search for their folk music on YouTube. While you listen, do some research on that country's response to Covid-19.
2. Explore how music is made
  - a. Look up movies with music written by John Williams, and have a movie night with your family! While you watch, write down all the moods you hear in the music, and try muting the movie to see how much moviemakers need the music to get feelings across.
3. Check out the music in your life
  - a. E-mail (or call) your family members you can't see right now, and ask for some of their music recommendations. Do any of their musical tastes surprise you?
4. Make your own music
  - a. Use the tools you have to make music! (Sing a song, use the instruments in your house, make something at <https://musiclab.chromeexperiments.com/Song-Maker/>, or make an instrument <https://kidactivities.net/homemade-musical-instruments/>.)

Need supplies to complete this badge? [ScrapsKC](#) has badge kits for sale with supplies for step 4.

5. Perform your music
  - a. Call someone who might be having trouble viewing the kinds of videos that are helping us all get through this and play them your music!

**When you're finished:** Congratulations, you have earned your badge! You can purchase by emailing [shopdept@gksmo.org](mailto:shopdept@gksmo.org) or at <https://www.girlscoutshop.com/JUNIOR-MUSICIAN-BADGE>

No shipping charges apply at this time.
