

COVID-19 Membership Participation Waiver

Troop Leaders may use this waiver to collect the information below as an added safety precaution for participation in in-person troop meetings and activities.

Please answer the following questions related to your Girl Scout:

- | | |
|--|-----------|
| Does anyone in the household have a fever or above normal temperature? | Yes or No |
| Has she experienced any shortness in breath or had trouble breathing? | Yes or No |
| Does she have a dry cough or runny nose? | Yes or No |
| Has she been in contact with someone who has tested positive for COVID-19? | Yes or No |
| Has she tested positive for COVID-19? | Yes or No |
| Has she traveled outside the United States in the past 14 days? | Yes or No |
| Has she traveled outside of our region in the past 14 days? | Yes or No |

Please note: Prior to attending any gathering we ask that you make sure temperatures are being taken prior to group interactions, to confirm members are not running a fever. Members with fever or temperature higher than 100.3 should skip the in-person gathering. Families may contact Customer Care at 816-759-3025 if they have additional questions.
