The Peaceful Corner

Desiray Boehmer has been a Girl Scout for 10 years and is in Troop 431 in Service Unit 642. She is currently a senior at Olathe East High School.

Desiray's Gold Award Project supported her local community garden by designing and building a devotional area in the garden. Desiray fundraised money for supplies through donations from businesses, such as Home Depot, and the local community. Desiray worked with Gods Garden, who provides fresh foods to low-income families and local food pantries.

Desiray built a library box and bench in the southeast corner of the garden for volunteers and gardeners to be able to relax and read. She added evergreen trees and butterfly plants around the area and as the plants grow, butterflies will join you in the quiet devotional corner. The library box holds a Bible, garden devotional books, a notebook for prayer requests or journaling notes.

Because of Girl Scouts, I can see things differently and hopefully make the world a better place.
