

Considerate and Caring Petal

Pillar: Life skills

When you've earned your Zinni Considerate and Caring Petal, you'll know how to be considerate and caring – keeping your relationships healthy and positive.

Daisies will follow these steps to earn their petal:

1. Learn about the tradition of kindness and helping others! (discover, connect)
 - a. Discover the idea of doing one small act of kindness per day. Did you know? The Girl Scout slogan, which has been used since 1912, is, "Do a good turn daily." A good turn is a special act of kindness, and the slogan is a reminder of the ways you can contribute positively to the lives of others while honoring Girl Scout tradition.
 - b. Daily means every day, so your good turn can be very small. Even small acts of kindness can make a big difference in people's lives! Work with an adult to make a list of good turns you can try – big and small. Talk about what's realistic and how you can both make an effort to try and do a good deed every day.
 - c. Go forth and do a good turn daily, and encourage others to do the same!

2. Give back to your community (take action)
 - a. Check out the [Juliette Low Birthday Giving Parade](#) and register to participate with us on **October 31, 2020, from 10 am-12 pm**. Drive-through only for social distancing! If you're not able to make it to the parade, you can still make a donation to one of our participating organizations or to your favorite community organization.
 - b. The following Community Partners are joining us for the first annual Juliette Low Birthday Giving Parade: Giving Hope and Help, Giving the Basics, Happy Bottoms, Harvesters Kansas City, Harvesters Topeka, and Second Harvest Community Food Bank.
 - c. Wear a costume, decorate your car, get some treats (no tricks!), and leave with a special Service for Juliette patch!
