

Make the World a Better Place (Rosie) Petal

Pillar: Life Skills

When you've earned your Rosie petal, you'll know how to make the world a better place, just like Rosie the Rose.

Daisies will earn this petal by:

1. Bird feeder (Discover, Connect)
 - a. Create a simple low supplies bird feeder! Start with an empty toilet paper roll and create a small hole in it for a piece of string. Tie the string to create the hook. Next, cover the roll with peanut butter and roll it in bird seed so the seeds stick to the peanut butter. Now go hang your bird feeder outside so birds and animals can enjoy the food!

2. How to help (Discover, Connect)
 - a. Now that you have created a solution for helping birds get food, think of some other ways you can help make the world a better place. Some ideas include cleaning up garbage on a trail, donating food to a shelter, make a new friend, help your family clean around the house, plant a flower, etc.
3. Make your Mark Pledge (Take Action)
 - a. Create a paper globe and hand! Start by cutting out a circle and color it blue and green to represent the world. Next, trace your hand and cut it out. On the hand, write a pledge for how you will help make the world a better place, "I will make the world a better place by..." Paste the hand to the globe and now you have created a visual representation of your pledge!
