

Respect Myself and Others (Gloria) Petal

Pillar: Life Skills

When you've earned your Gloria petal, you'll know how to respect yourself and others, just like Gloria the Morning Glory.

Treating someone with **respect** means that you interact with them in a way that shows that you care about their well-being and how they feel. When you **respect** someone, you treat them kindly and use good manners.

Daisies will earn this petal by:

- 1) Practice respecting yourself and others (Discover)
 - a) Have an adult read the statements below to you and respond with what the best response would be. Next to each is a response that would fit the question. There could be more than one right answer
 - i. What should you say if you run in front of someone? I AM SORRY
 - ii. When you let someone use something that you are using it's called? SHARING
 - iii. When you ask for something you say? PLEASE
 - iv. When you receive a gift from someone you say? THANK YOU
 - v. If you make someone else sad or upset, you say? I AM SORRY
 - vi. If someone is having a bad day you ask? ARE YOU OK?
 - vii. When you meet someone new you say? NICE TO MEET YOU
 - viii. When your parents ask you to do something you show them? RESPECT
- 2) Roll Some Respect (Discover, Connect)
 - a) You will need dice for this activity. Roll the dice and based on what number you roll, answer the following statement.
 - i. 1 – Showing respect is important because...
 - 2 – I respect my parent(s) by...
 - 3 – I respect my teacher(s) by...
 - 4 – I show respect to my friend(s) by...
 - 5 – I respect myself by...
 - 6 – I respect the world by...
- 3) Promise Pals (Connect)
 - a) Split girls into small groups of two to four girls or complete the following steps with household members.
 - b) Have each person share with her group one thing that she is going to do at home or at school to show respect for herself and others.
 - c) Have each person make a promise to the other people in the group identifying how they will respect themselves and others. The girls in the group are now Promise Pals.
 - d) If possible, have the groups check in with each other at another meeting to see if they kept their promises.
