Family Fun: Cookie Entrepreneur Family Pin

Pillar: Entrepreneurship

Work as a family to learn more about setting goals, making a plan, and running your own cookie business!

Girls and their families can earn the Cookie Entrepreneur Family Pin each year they participate in the Girl Scout Cookie Sale. The program is designed so that families can work together to support their Girl Scout while she learns entrepreneurship skills and families have fun together!

There is a separate pin for each year of Girl Scouts! The Year Two pin is only earned after the Year One pin. If a girl does not earn the Year One pin in the first year of her current level she can earn the Year One pin in her second year of her current level.
