

Junior Business Jumpstart Badge

Pillar: Entrepreneurship

When you've earned this badge, you will have come up with an idea for something that solves a problem, gotten feedback, shared your idea, and pitched it to others - just like an entrepreneur!

Juniors will follow these steps to earn their badge:

1. Create a prototype for a product, service, or technology that solves a problem (Discover, Connect)
 - a. Discuss what a business entrepreneur is. What do you think it means?
 - i. Think about how a lemonade stand works? What about a bake sale? Discuss both of these types of businesses.
 - ii. Think about the first Girl Scout cookies. What made them so popular?
 - iii. Discuss the Girl Scout cookie program. What skills are needed to complete the sale?
 1. Check out how Girl Scout cookies came to be:

 - iv. Research business entrepreneurs or female business leaders to evaluate the kind of products they promote.
 - b. Have each girl draw up plans or work on a prototype of her choosing
 - c. Share the prototypes and have the girls vote on the best one; girls can take turns presenting
 - d. Have each girl work on the selected prototype and test it out.
2. Brainstorm a list of ideas for your troop
 - a. Who can you ask to see if your product, service, or technology worked?
 - b. Discuss with your troop different types of feedback
 - i. What are focus groups? Surveys? Demonstrations?
 - ii. Who are the experts in your prototype, product, service, etc.
 - c. Make a list of questions for feedback and send it out to your audience
 - i. How will you use this feedback?
 - ii. Is the feedback negative or positive?
 - iii. Why did you pick this audience for feedback?
 - iv. What did you learn from your feedback to help you with your product/service/prototype?
3. Get feedback
 - a. Who can you ask to see if your product, service, or technology worked?
