

March Service Opportunities

Juliette Low loved animals. This month we learn about opportunities to help animals in need to make the world a kinder, better place.

Happy Birthday to Girl Scouts! Juliette Low loved animals. Let's take this time to learn about animals and participate in a collection drive for our furry friends. Here are some service opportunities you and your troop can participate in.

Virtual Collections are available at the following 4 locations:

Wayside Waifs – <https://www.gsksmo.org/en/events-repository/2050/CP-wayside-waifs.html>

Date: February 18 - March 27

Girls are invited to collect items from our [Wish List](#) to support our shelter animals.

Items can be dropped off at the shelter on March 13, 20, or 27 from 10:00 AM - 12:00 PM. A maximum of four people per family or troop may drop off items at once to help us control the flow of people in and out of the shelter. Please sign up for a time [using this link](#).

Pet Resource Center of Kansas City – <https://www.gsksmo.org/en/events-repository/2050/CP-pet-resource-kc.html>

Date: February 20 - April 23

Girls Scouts will collect donations of our most-needed items: dog and cat treats, leashes (NO retractable please), collars, harnesses, puppy and kitten food, cleaning supplies (bleach, paper towels, HE laundry detergent, lint rollers), and office supplies (Sharpies, scissors, yellow/pink/green/blue highlighters). We also need gently used bath towels and bed sheets. All items directly enrich the life of a pet or directly help our veterinary team provide excellent care to pets and owners!

Donation Drop-off: At our clinic during our pet food pantry April 19, 6:00 PM - 7:00 PM or April 23, 5:00 - 6:00 PM.

Date: March 4 - April 10

Please consider participating in the Helping Hands Humane Society Girl Scout Collection Drive. We would greatly appreciate the donation of any of the items listed on our Wish List.
