Daisy Troop Meeting 3

Time to set a troop goal! In this meeting girls will learn to set a goal and learn how to do their part to reach the goal. Just one more meeting and your Daisies have earned their **Count It Up leaf**.

*This virtual meeting plan will last 30– 45 minutes.
Feel free to end early if you complete all the activities.*

Virtual Meeting Plan

Ask parents to start the log-on process five minutes early.

Connect

As girls log on, greet each one by name and ask them to show they understand the platform features, like mute/unmute and raise hand. Unmute them all and give girls a chance to chat.

Note who is missing from the virtual meeting and send parents a reminder text, if feasible.

Opening

Call everyone to attention as you open the meeting.

You can display an image of the US Flag on the screen for the girls to say the Pledge of Allegiance.

You can have the words of the Promise displayed on the screen as you say it.

Activities

Dice Roll Game:

- Roll a die and have girls take turns completing the action that matches each number on the activity at the end of the packet.

Cookie activity:

What is a goal?

- A goal is something that you determine you want, and you work hard to achieve it. Setting goals can help you accomplish big or small tasks in your life.
- Have the girls name examples of goals they may have had to work for at school or on their sports team.
- Remind girls that goals take work and practice. We don't always reach our goal right away! It takes lots of tries and time. Girl Scouts never give up! We work hard with a smile and we do our best!

How do we set a goal?

- We brainstorm a list of ideas that the girls want to spend their cookie money doing. Write down the ideas the girls have and show them the list they are creating. Allow the girl creativity within reason. We will not be able to go to Disney because Daisies cannot travel that far away! That is an idea for when we are older!
- Vote to determine the top three ideas. You may have to vote a couple of times to narrow the ideas.
- Research the number of boxes that need to be sold by each troop member to accomplish each of the idea. The troop will earn \$1 for each box. Ask each girl if she can try to sell that many cookies!

Set a troop goal!

- Ex: We want to make blankets for an animal shelter and use our troop funds to buy the supplies. Each troop member needs to sell X boxes of cookies.
- Ex: We want to go fishing and use our troop money to pay for any expenses. Each troop member needs to sell X boxes.
- Ex: We want to go to Build-a-Bear. Each troop member needs to sell X boxes.
- Fill out the troop goal sheet and show it to the girls. Keep track of where the troop is and report how close they are to reaching their goal each time you meet!
- Give the girls a pep talk and cheer them on! Ask if any other girls can cheer on their troop sister!

Clean up

Closing/Reflection

Ask each girl to tell one thing she has learned from attending the meeting. Each girl can then voice how many cookies she will try to sell to help meet the troop goal.
