

Volunteer Appointment Agreement

The talents and services of volunteers are important to Girl Scouts of NE Kansas & NW Missouri in accomplishing our mission to build girls of courage, confidence, and character. Volunteers must agree to established standards and guidelines of the council in order to hold any appointed volunteer position.

All volunteer positions appointed by the council require:

1. Satisfactory results of volunteer screening through completion of a criminal background check every 3 years.
2. Current membership in Girl Scouts of the USA (required for troop leaders, assistant leaders, product sales, troop treasurers, SU positions and other positions as listed on gsksmo.org).
3. A signed Volunteer Appointment Agreement current within 12 months.
4. Compliance with national and council standards for conduct and program delivery.

I, _____, agree to participate in orientation and training required for the volunteer position for which I am appointed. I will perform my volunteer duties to the best of my ability. I understand that I am appointed by a council staff member or designee, and I agree to fulfill my volunteer position requirements as described in the volunteer job description without expectation of monetary compensation.

I agree to familiarize myself with and abide by Girl Scouts of NE Kansas & NW Missouri's Volunteer Essentials. This includes but is not limited to standards of conduct, confidentiality, and safety.

In the event that I want to terminate this agreement, I may do so at anytime by notifying the council. I understand I may be released from my volunteer position at the discretion of council staff member or designee.
