## Nomination

- A nomination form is completed on the GSKSMO website and submitted to the council's Selections Committee, along with endorsements indicating how the nominee meets the criteria.
- **Two endorsements are required for the Honor Pin.** The endorsements will be submitted with the nomination on the GSKSMO website.
- The Selections Committee reviews the nomination and endorsements, then approves or denies the award.

## Nominee Example

A facilitator realized that although the council created online courses and resources about the GSLE, at volunteer meetings she heard comments indicating that many volunteers still were hesitant to use Journeys to deliver the GSLE to girls. She worked with the Volunteer Management department to develop a GSLE Coach role, which would support all direct-service volunteers as they implemented what they learned in the courses and put Journeys into action. This role was piloted in four service-delivery teams where, after the first year, Journey sales increased by 30 percent; girls shared the impact of 14 new take-action projects via the council's Web site; and the volunteer-satisfaction scores increased by 12 percent.
