

## Stronger TOGETHER Award

The COVID pandemic has been difficult to endure. We have lost loved ones and have had relationships forever changed. Girl Scouts is a place where girls, families and volunteers can stay engaged and together, exemplifying that we are indeed Stronger TOGETHER.

The **Stronger TOGETHER Award** recognizes a troop leader who creates an experience for her troop that girls and families want to return to each year! Their passion for Girl Scouts helps them engage their troop in all the activities GSKSMO has to offer—community partners, local service unit events and council programming. They are an outstanding role model to all troops!
