Blue Springs, MO

GaGa Pit for Everyone

Adelyn Tharp has been a girl member for nine years in Troop 2228 in Service Unit 647. Adelyn currently attends Blue Springs High School and will be a junior in the fall. She plans to pursue a career as an editor for a publishing company.

Adelyn's project was inspired by members of her church, Crossway Bible in Blue Springs, MO. When organizing the popular game Gaga Ball, Adelyn's church used a makeshift setup of folding tables with no set "door," which made it challenging for members who use a wheelchair to join in the fun.

To combat this issue, Adelyn constructed an accessible Gaga Ball Pit on a new concrete pad, making sure that all children and adults were able to enjoy the game.

“Because of Girl Scouts, I learned how to be a great leader and a great teammate!”
