The “Look Good, Feel Good” Locker

Emily Caton has been a girl member for 13 years in Troop 1249 in Service Unit 647. Emily currently attends Blue Springs High School and is a graduating senior. She plans to attend the University of Missouri this fall to major in Broadcast Journalism.

Emily’s project made hygiene products accessible to all students at her high school. She created a “locker” that has hygiene supplies that are free and available for students who may need them. The locker is located in the counseling center, which will monitor and help refill the supplies as needed.

The goal of this project was to make students feel good about themselves, earning it the name “Look Good, Feel Good Locker”. She hopes that by making these supplies accessible, all students can attend school feeling refreshed, inspired, and excited to learn.

“Because of Girl Scouts, I have learned to be more outgoing and confident. I’ve learned new leadership skills that I haven’t learned in other groups I’ve been apart of.”
