## Making a Room Feel Like Home

Lily Carmichael has been a girl member for 11 years in Troop 1955 in Service Unit 606. Lily graduated from Staley High School as part of the Class of 2024.

In her work with the Synergy Domestic Violence Shelter, Lily noticed that the Client Group room, where kids often spent time, was geared toward younger children. For her project, she worked to make the room more welcoming and accessible for older kids and adults. She added a TV, new games and activities, and new rugs and furniture to make this space more comfortable and usable for all ages.

**“Because of Girl Scouts, I’ve learned valuable life lessons that I will carry with me forever. One of the most important skills I’ve learned is how to problem-solve. I’ve also learned how to work as a team and communicate effectively with others. Girl Scouts helped me grow more confident, responsible, and willing to step outside of my comfort zone. These lessons will continue to guide me throughout school, my career, and everyday life.”**
