Hammock Posts

Trinity Wilson has been a girl member for 13 years in Troop 1026 in Service Unit 671. Trinity recently graduated from Mill Valley High School. She plans to attend Fort Hays State University to study Education and compete on the Cheer team.

Trinity's project aimed to provide more safe opportunities for Girl Scouts at Camp Tongawood to enjoy hammocking together. This fun, outdoor activity can be a safety risk if there are not proper hammock posts available for Girl Scouts to use. Trinity solved this problem by creating safe hammock posts in the Yucca Flats section of Camp Tongawood.

By creating a designated hammocking area, Trinity hopes to improve social and relaxation opportunities for Girl Scouts enjoying their time at camp! This safety initiative also ensures that girls learn the proper, safe way to hammock – a skill that will last a lifetime.

“Because of Girl Scouts, I have become involved with bettering my community.”
