We – the Girl Scout Junior(s), troop leader, and/or adult volunteer – are aware that each individual team member should spend approximately 20 hours working on their Bronze Award project and will maintain a time log.

Additionally, we agree and understand that the Bronze Award Project:

* Cannot be just a collection or donation drive. Donations may be part of a larger Silver Award Project.

* Cannot be a fundraiser for another organization, program, or individual.

* Is not simply volunteering time for another organization in an already existing project.

* It is a Take Action project, not a community service project – even if the community service project is very large and takes a lot of time and hard work.

I, the Girl Scout troop leader or adult volunteer, have reviewed the Girl Scout Bronze Award Project Proposal. I am aware of the requirements and guidelines outlined by the Bronze Award Guidelines Booklet as well as council-specific requirements and believe this project aligns with those requirements.
