

Hosted by JCCC Early College Partnerships & Outreach

remake learning STEAM Festival

SCIENCE • TECHNOLOGY • ENGINEERING • ARTS • MATH

Wonder, explore and learn with us!

JOIN US for a showcase of hands-on, engaging educational experiences for kids of all ages.

• **10 a.m.** Unleash your inner musician and make an instrument out of recycled crafts in the Midwest Trust Center (MTC) lobby, led by the Nerman Museum of Contemporary Art. If there's energy left to burn, visit MyGym's gymnastics arena to work on balancing and tumbling.

• **11 a.m.** Sing along in Spanish and English with 123 Andrés at a MTC Kids Jam Concert in Polsky Theatre.

• **Noon–3 p.m.** Dive into learning with STEAM activities across campus. Choose the ones you wish to attend. Visit each activity at your own pace—there's no scheduled start times. Check out all our activities at jccc.edu/events or use the QR code at left.

• **3 p.m.** Treat the family to a wild musical adventure from the StoneLion Puppets! Karma the elephant and animal photographer Felicia Flash introduce you to the colorful creatures that make our planet magical.

A **FREE** event for youth and families

Saturday, May 4

10 a.m. – 4 p.m.

Johnson County
Community College
